If you answered "YES" to any questions above, please discuss with Artist before procedure. A "YES" answer does not indicate you are not an acceptable candidate for permanent cosmetics. It may simply be information that is valuable to your technician as each person's body is unique, or it may indicate that based on any health conditions that affect healing, it would be advisable or required for you to consult with your physician before proceeding. If this form has not addressed a medical condition you have, please explain below:
